

Resume & LinkedIn Optimization

Resume Banaane Ke Basic Rules (Fresher/Experienced Dono ke liye)

- **Fresher ho?** ➤ Resume **1 page** ka hi banao.
- **Experience hai?** ➤ Max **2 pages**, lekin bharke mat likho.

Resume ek **marketing tool** hai, apni life ki Wikipedia nahi!

ATS (Applicant Tracking System) Friendly Resume Kaise Banayein?

- ATS ek software hota hai jo resume scan karta hai.
- Resume ka format **simple** aur **clean** rakho.
- Fancy design, columns, tables, icons ❌ mat daalo.
- Resume ko **.PDF** ya **.DOCX** format mein save karo.

Goal: Resume ka ATS Score **85%+** ho.

Writing Style: Kaise Likho?

- **Active voice** mein likho, jaise:
 - ✅ "Developed a chatbot using Python"
 - ❌ "A chatbot was developed by me"
 - Har bullet point ki shuruaat **verb/action word** se karo:
 - *Developed, Built, Created, Led, Improved, Automated...*
 - Har point mein **number** ya **result** dikhane ki koshish karo:
 - "Reduced page load time by 40% using lazy loading"
-

Resume Ka Sahi Order Kya Ho?

Fresher Resume Order:

1. Education
2. Projects (sabse important!)
3. Skills
4. Achievements
5. Certifications (agar bahut useful ho)

Experienced Resume Order:

1. Work Experience
2. Skills
3. Projects
4. Education
5. Achievements

Projects – Game Changer Hai!

- Sirf “banaya” likhne se kaam nahi chalega.
- Batao:
 - ♦ *Kya banaya?*
 - ♦ *Kaise banaya?*
 - ♦ *Kya tools/tech use kiya?*
 - ♦ *Tumhara role kya tha?*

 **Group Project?** ➤ Apna **kaam highlight** karo:

"Worked on backend APIs using Node.js while others handled UI"

Galtiyan Jo Nahi Karni Chahiye (No-No List)

- ❌ Profile photo mat daalo
 - ❌ Sare certificates mat chipkao
 - ❌ Har technology ka naam mat likho — sirf wahi jo use ki ho
 - ❌ Galat grammar, typo, ya passive voice se bachke raho
-

✅ Personal Info Mein Kya Daalna Chahiye?

- ✅ Naam (obviously)
 - ✅ Email ID (Professional hona chahiye)
 - ✅ Phone number
 - ✅ LinkedIn profile
 - ✅ GitHub (agar coding karte ho)
 - ✅ Portfolio (agar bana rakha hai)
-

abc Fonts & Format Ka Dhyan Rakho

- Fonts: **Calibri / Arial / Times New Roman** – safe bets
 - Font Size:
 - Heading – 14-16 pt
 - Body – 10-12 pt
 - Margins – 0.5 to 1 inch
 - Sab kuch **neat & readable** ho
-

🎯 Job-Specific Resume Kaise Banayein?

Har company ke liye same resume bhejna = "Sabko ek hi love letter bhejna"

- Job description padho
- Agar wo Python maang rahe hain, to Python projects highlight karo

- Resume mein **customization** karo – magic isi mein hai!
-

LinkedIn Profile Optimization – Desi Formula

Profile Setting Karna

- ☒ DP (Professional photo hona chahiye)
- ☒ Headline interesting banao:
 - ☒ "Student at XYZ College"
 - ☒ "Web Developer | MERN Stack | Open Source Contributor"

About Section (Apne baare mein likho)

- 3–4 line mein batao:
 - Tum kya karte ho
 - Kya seekh rahe ho
 - Kya role chahte ho

"Final year B.Tech student | Interested in backend dev | Built 3 full-stack apps | Learning DevOps"

Experience, Projects, Skills

- Internships, part-time kaam, volunteering sab dalo
 - Projects ko resume jaisa hi structure do
 - Keywords use karo jo job mein maange gaye ho
-

LinkedIn Pe Active Raho (Engagement Formula)

- ☒ Har week kuch post karo:
 - Project demo
 - Learning of the week
 - GitHub push/update

-  Comment karo, like karo, share karo
-  HRs, Founders, Developers ko follow karo

Job post dikh rahi ho to **comment karo, DM bhejo (personalized message ke saath)**

Value Create Karo (Show Expertise)

- Apna kaam share karo — logon ko batao tum kya karte ho
 - Thread likho:
 - "How I built a portfolio in 3 days"
 - "5 things I learned building my first chatbot"
 - Open Source karo? ➤ Uski bhi story LinkedIn pe share karo
-

Extra Desi Tips (Reality Check)

-  Resume kabhi final nahi hota – har baar tweak karo
 -  Projects se sab kuch hota hai – seekhne ka source bhi wahi hai
 -  Apne code ko revisit karna aana chahiye – maintain karna bhi skill hai
 -  LinkedIn pe bas baithe mat raho – **value do, vibe lo**
-

Shortcut Summary (For Quick Revision)

Area	Do This 	Don't Do This 
Resume Length	1–2 Pages Max	3+ Pages
